Born in a small village from Dolj county, Anghel Pârvănescu will graduate the theological seminary from Râmnicu-Vâlcea, and the Faculty of Theology from Bucharest. Also, he received a scholarship to study abroad in Strasbourg. As a priest and as a archpriest, he will have an important theological activity, publishing various studies, which are mentioned at the end of the article. To strengthen his real implication within the pastoral field, we are giving some testimonies about him. Unfortunately, he died very young, just 37 year old.
