### **Abstract**

The high ideal of the spiritual life should not be seen only by researching the ancient times of the Church; he can be touched by any soul that seeks God. Also, Saint Isaac of Syria entrusts us about this in his priceless writings. In our paper, we debate subjects as: *The “Son of the Emperor” and His saving work, The meaning of the Incarnation for man and the whole creation, The mysteries of the Body of Christ, Resurrection of Christ - our resurrection.* All these subjects are presented according with the theological thinking of Saint Isaac of Syria.
